Question No. 5

If the answer to question no. 7 is yes, state the amount of attorneys fees that should be awarded to Sakar.

¹ Questions 1 - 5 are requested by Defendants. Plaintiff objects to Questions 1 - 5 for, inter alia, lack of evidence and lack of relevance, and because they are not proper questions for a jury to answer. Plaintiff has no jury questions to submit because come time of trial the Asserted Claims will have been officially canceled by the USPTO, and on account of Plaintiff's covenant not to sue Defendants on the '343 patent. *See* Plaintiff's pending Motion to Dismiss.
